## TERMS OF SALE

1. THE AUCTIONEER reserves the right to regulate the bidding. Lots may be grouped, split-up or withdrawn at the auctioneer's discretion. **MINIMUM BID IS \$5.00**
2. BIDS ARE MADE by lot as numbered in the catalogue, in U.S. currency and at the standard increments. Bids received which do not conform to the standard increments will be reduced to the increment and will not take precedence over a prior bid at the stated increment. "BUYER'S PREMIUMS" will be levied.  
**When lots are listed "A/B" and "Exactly as above," a bid on one is a bid on EITHER.**
3. THE HIGH BIDDER shall prevail. In mail-only sections, lots will be sold at a standard increment over the underbidder, if there be one.
4. CASH ON DELIVER of lots is required of successful bidders. Mail bidders and persons with established accounts may at our option, have lots forwarded to them in advance of payment. No credit is extended and none is implied. "late payment" charges of 1½% per month or part thereof past due, plus charges incurred in collection, will be assessed delinquent accounts.
5. LOCAL AND FLOOR BIDDERS may pick up their lots during intermissions in the public sale or after the sale. Lots also may be claimed at our offices during the week following the sale. Successful mail bidders will be charged appropriate postage, insurance and shipping charges; minimum amount \$1.00
6. WE GUARANTEE ALL LOTS sold by us as genuine, except where the lot is described and sold as otherwise, or where noted "AS IS". This standard applies to singles, sets and covers, not selected items from collections. Lots found to be other than genuine by a philatelic authority acceptable to Heinrich Auctions are returnable for full and prompt refund of costs and fees for certification, up to a maximum fee of \$50 per item, provided that:
  - A. They have been paid for as with any other lot in the sale.
  - B. The purchaser has notified us in writing within three days from receipt of lots of the intent to submit, and to which authority submitted.
  - C. An opinion of other than genuineness is rendered, and final resolution is made not more than four months from the sale. The inability of an authority to render an opinion is not grounds for return and refund.
7. INCORRECTLY DESCRIBED LOTS may be returned for refund of the purchase price, provided that they are returned intact and as received and that returns are made within three days of receipt, with the following exceptions:
  - A. Lots from purchasers who examined them before the auction.
  - B. Photographed lots, for reasons of cancellations, centering, margins, perforations, or other features evident in the photograph.
  - C. Lots described as having faults, repairs or damage, or with a quality standard of "Good", "Poor" or "Spacefiller".
  - D. Lots sold under the term, "AS IS".
  - E. Collections, large lots except as authorized IN ADVANCE by us.
