Catalog Update August 2011

Marchers in Portland rally for peace in "Iraq 8 Years Later" (VB #79.7&8)

Flying Focus Video Collective is now 20 years old. We began using video as a tool for social change, voicing the voiceless, in 1991.

Programs included in this catalog update were produced between February and July, 2011 in part through the facilities of Portland Community Media (PCM). Views expressed do not necessarily reflect those of PCM, Flying Focus, nor any group or individual appearing on the programs. Check our website to see clips from some of our programs via YouTube.

This update is the third to accompany our **2010-2012 Catalog**; insert it behind the front cover to create a full copy. If you don't yet have a copy of the full catalog and would like one, send us \$3, or download the .pdf from our website.
